Come and join in the fun! The bowlers love to have an audience, so even non-bowlers can come early and poke fun of our techniques, or better yet cheer them on.

When the 3 games of 9-pin bowling are done, we will move right down the hallway to our "private" party/bar room. You may bring your food into that room when you arrive.

Food:

Sour kraut and dumplings, made by John Cherney, and ham and rolls will be provided, so bring a dish to pass that will complete our menu.

Prizes will be awarded

Come join in this family event, don't wish at the next funeral you would have taken the time to visit with them.
